

THREE WITCHES

Lucas Calzada

EXT. A DESOLATE HEATH - NIGHT

THREE WITCHES enter, cackling, and stand around a huge boiling cauldron.

FIRST WITCH

Thrice the brinded cat hath mewed.

SECOND WITCH

Thrice, and once the hedge-pig whined.

THIRD WITCH

Harper cries, "Tis time, tis time."

ALL

Double, double toil and trouble. Fire burn, and cauldron bubble.

FIRST WITCH

Now put I in tail of dog.

Does so. All cackle.

SECOND WITCH

I put in the heart of frog.

Does so. All cackle.

THIRD WITCH

And I put in a dirty Starbucks travel mug!

Does so. Third Witch cackles alone.

FIRST WITCH

Excuse me?

THIRD WITCH

(sheepish)

I put in a dirty Starbucks travel...mug.

FIRST WITCH

Why would you put that in the cauldron?

(CONTINUED)

THIRD WITCH

I'm so sorry, guys, I- I accidentally brought the wrong purse.

SECOND WITCH

So, you put in a dirty-ass mug?

THIRD WITCH

I really am super sorry.

FIRST WITCH

You know once we start the boiling session we can't stop!

THIRD WITCH

Oh, how about this?

She removes an item from her purse.

THIRD WITCH

Sarah McLachlan CD without the case!

She throws it in.

SECOND WITCH

You're screwing up the potion, you dumb witch!

FIRST WITCH

Evanora, your anger issues!

THIRD WITCH

Mousepad with the AOL logo!

She throws it in.

SECOND WITCH

You will not ruin this for us!

FIRST WITCH

Umbrilda, where is your hex purse?

THIRD WITCH

That's the thing- I leave my hex purse in the hallway next to my "Starbucks" bag and I grabbed the wrong one. Also I want to clarify it's technically not a Starbucks bag in the sense that it's not a Starbucks-Brand bag since I didn't buy it from Starbucks- plus I don't

(CONTINUED)

THIRD WITCH (cont'd)
think they sell bags, anyways- but
it's the one I take with me when I
go to Starbucks to work on my
crafting projects. I like to get
out of the house.

FIRST WITCH
Do you have anything sinister in
their at all?

THIRD WITCH
Oh! Tangled-up Sony head phones!

She tosses it in. Weird noise from cauldron.

SECOND WITCH
What have you done?!

FIRST WITCH
The boil, it is subsiding!

THIRD WITCH
How about this- two packets of soy
sauce!

Second Witch smacks Third Witch's hand, sending the packets
flying upstage.

SECOND WITCH
No you don't!

FIRST WITCH
Let's finish this before the magic
transgresses! Quickly!!

ALL
Double, double toil and
trouble. Fire burn, and cauldron
bubble.

FIRST WITCH
I put in a rat!

SECOND WITCH
I put in a bat!

THIRD WITCH
I put in a Clinique powder
foundation that is two shades too
dark that I bought accidentally and
still need to return at CVS!

The boil makes a very strange noise.

FIRST WITCH

What have you done to the potion?

SECOND WITCH

Bavmorda, can you fix it?

FIRST WITCH

I'm out of ingredients!

SECOND WITCH

As am I!

Slow take to Umbrilda.

THIRD WITCH

Hold onto your butts!

Like a hero, Umbrilda throws items in.

THIRD WITCH

Father's Day card I forgot to send!
Leftover kung Pao chicken from
Panda Express! CD case! Straws I
stole from Starbucks! This framed
portrait of Adlai Stevenson! My
Valentines Day teddy!

Magic happens! Loud explosion with lights. There is silence
as the witches slowly approach the cauldron and look deep
inside.

FIRST WITCH

Umbrilda?

THIRD WITCH

Yes, Bavmorda?

First Witch reaches into the cauldron and pulls out a
Starbucks drink tray with three Frappucino looking
beverages.

FIRST WITCH

No whip- you remembered!!

SECOND WITCH

And triple shot! Thanks, bae!

Each Witch grabs her drink as they exit, sipping.

Blackout.
